### From the Pastor

### *A Faithful Servant*

Many MHBC people do great ministries for the Lord week after week in quiet, effective ways. Each deserves big doses of praise, thanks, and appreciation. But at the moment, it's timely and good to say a special word of thanks to one of God's faithful servants.

Since 2003 when Mount Hermon added to its building facility with a worship center, kitchen, classrooms, and offices, **Wayne Boothe** has served as the "go-to guy" for a host of building projects and maintenance tasks. Whenever a need arose, Wayne coordinated the work to fix it, add it, or just make it happen. He has devoted countless hours to dealing with contractors, coordinating volunteers, delegating work projects, or just plain doing the work himself. He has done this with speedy efficiency and always with an eye toward saving the church as much money as possible. We have all benefitted from Wayne's ministry in huge ways!

### **Thank you, Wayne!**

This year, Wayne will continue to serve on the Building & Grounds Team, but he is relinquishing the role of being the main coordinator. The B&G Team has decided to have various team members serve as coordinators for the various tasks. For instance, Ron Hatcher will see to heating & air-conditioning needs, Ken Paul will oversee grounds work, Wayne will handle lighting and electrical repairs, and others have stepped up to help with building projects. This arrangement should work just great.

But we can't say enough about the tremendous work Wayne has done over the past eight plus years. So take a moment to say your own words of appreciation to him. He richly deserves it.
