That's Your God

I recently asked a group of suburban pastors what was their most formidable competitor for getting their people to Sunday morning worship. – “Soccer,” they answered.

“Do you mean to tell me that the trinity is losing out to a black and white ball?” I asked.

“Our people,” one pastor said, “would rather raise children who can gain power and prestige in this society by knowing how to play soccer than to raise children who know how to find the Gospel of Mark in the Bible.”

Luther says that whatever you'd sacrifice your daughter to... that's your God.
